

Client Success
Story . . .

Noblesville
Parks &
Recreation

Noblesville has many public parks and two public golf courses, Forest Park (9 holes) and Fox Prairie (27 holes). Forest Park, the largest park at over 100 acres, offers picnic facilities, playgrounds, ball fields, meeting facilities, and more. Parks & Recreation events, classes, and programs are scheduled each month.

The Mission
"Noblesville Parks . . .
Your Vacation in
Town!"

"Balay Architects has designed and managed the construction of a wide range of projects for the Noblesville Parks and Recreation Department. From restoration of our 1930's miniature golf course, to design and construction of the magnificent Fox Prairie Clubhouse, Balay Architects delivers a quality product that can be built within budget."
